Sir,

WAR - ARP - Mangalore - Staff Officers and Instructors - conveyance allowance - payment - sanction - sought.

V:

In G.O.No.973, Public (Civil Defence) Department, dated 7-4-194 the Government have ordered that the conveyance allowance of R.25/- a month granted to such of the Instructors as own motor cars or motor cycles, should be reduced to R.15/- a month in the case of new entrants. It is, therefore, clear from the G.O. that Instructors who owned motor cycles prior to the issue of the G.O. were eligible for a conveyance allowance of R.25/- p.m.

2. Mr. A.S.Khursheed Hasan, class III Instructor of the Mangalore A.R.P. area has been maintaining a motor cycle for the discharge of his duties with effect from 1st November, 1942. He has since been appointed as class I Instructor with effect from 18-4-1943, with reference to the instructions contained in G.O.No.973, Public (Civil Defence) Department, dated 6-4-1943. He has not been paid any conveyance allowance in respect of his motor cycle. In G.O.No.1239, Public (Civil Defence) Department, dated 6-5-1943, sanctioning the revised scheme for A.R.P. mufassal towns, no conveyance allowance has been allowed to any of the officers or Instructors.

2. For an instruction in a mufassal town a motor cycle is not much of a necessity. Magalore is a small town & push bicycle is all that is needed by an instructor to go about his business. It is a doubtful proposition whether staff officers in mufassal towns do require motor cycles. Public may examine this point. The case of Mr. Khurshed Hasan instructor may be for a motor cycle allowance should be turned down.

Please see the Fin. dept's note above & pamphlet not circulated as p.1 ante, the Cl. I Instructor in Mangalore (Mr. Khurshed Khan) already possesses a motor cycle. Though a motor cycle may not be essential for an Instructor in Mangalore, it cannot be denied that the possession of it increases his efficiency and it seems that the present practice referred to at M ante may be allowed to continue.
